All applications will be reviewed by a committee of Association officers, which may consider the financial need of the applicant, the applicant's scholastic standing, citizenship achievements, proposed course of study, potential for academic success, personal character, and such other criteria as the committee may deem appropriate. This Committee will make the final decision as to the recipient of the award. Applicants will be notified by mail of the final selection.

Award checks will be sent to the financial aid office of the college of the winner. Scholarship funds may be used only for tuition and/or academic fees. If the award, when combined with other scholarships exceeds tuition and/or academic fees, the remainder must be credited to the second term's tuition and/or academic fees, provided the student is enrolled in a status appropriate to their eligibility.

An application is attached hereto and should be duplicated. Five (5) copies of the application form must be submitted so that they may be distributed by mail to the members of the screening committee.
